Message from the President

Dear Friends,
The month of June gave us no reprieve. Having travelled out of our center base three weeks already, June has found us with a number of client matters requiring immediate attention following our Spring Conference in Prague. As clients prepare to take early summer holidays, FLI BXL and various FLI NET Partners have been very busy helping several multinational clients requiring timely assistance. Showing responsiveness is part of FLI's signature.

Orlando J. Casares

FLI NET at its best!

FLI's best and brightest IP and litigation attorney assemble in Brussels to provide cross-border support on a delicate client matter.

FLI Continues to Offer Value – Global Litigation Support

FLI NET has been asked to provide a global litigation support on behalf of a major client in the steel industry. To that effect, FLI Brussels gathered the key litigation FLI NET Partners from the UK, Germany, Switzerland, and USA to map out the strategy to pursue the desired objectives.

HIGHLIGHT OF THE MONTH

FLI is asked to accompany the CEO of a multinational company and travel to the US for a nine-day marathon business meetings. While in the US Mr. Casares convened a meeting with the VP of a publicly listed company based in DC with whom FLI is discussing potential world-wide collaboration opportunities.
