

FLI Welcomes new Luxembourg partner –Vandenbulke!

In recent years, Luxembourg has seen a tremendous growth as a financial centre, requiring a dramatic increase in more international and sophisticated legal counselling. Vandenbulke was specifically founded to address this demand and provide the latest local and cross-border legal expertise in international Corporate, Finance and Tax matters.

Vandenbulke has the continuing ambition to provide an elite and fully integrated service in these practice areas to international institutional and professional investors. It has been structured and designed to provide a comprehensive and cutting-edge approach for the most complex legal issues arising in Luxembourg's corporate and financial markets.

The independent firm has been constantly outperforming the Luxembourg law firms market and has consolidated its position as the unique corporate finance boutique in Luxembourg. Vandenbulke pursue one sole aim: to provide the most quality-efficient legal service in Luxembourg, matching the international standards at the peak of the profession.

Today, Vandenbulke is undoubtedly THE leading Luxembourg niche firm specializing only in Corporate, Finance and Tax. Vandelbulke was a 2017 finalist for Lawyer's European Awards- European specialist law firm of the year among other recognitions.
